# **FOREWORD**

Gathered here, in this PURPLE AND GOLD.

Are the joys and cares of our age:

Fond recollections return when we behold

Memories—treasures true and dear—on every page.

# **DEDICATION**

We, the members of the Senior Class, feel that it is a great privilege to dedicate this edition of the PURPLE AND GOLD to Mr. Michael Listiak. His splendid success in stimulating interest in music, and his untiring co-operation in the activities of Senior High made him worthy of our dedication.

## THE TEACHERS' CLUB

A T the first meeting of the Club, the following officers were elected: Davis J. Baer, President; Frederick Rogers, Vice-President; Dorothea Brouard, Treasurer; and Bernice Rasmussen, Secretary.

Several new members were received into the Club this year, the reception taking the form of a beach party back of the North Shore School. Miss Irene Heacox returned to the system after an absence of two years. The newcomers were: the Misses Margaret Merrick, Margaret Overton, and Catherine Provencher; Grades: the Misses Catherine Hawley and Louise Porter; Junior High: Miss Katherine Ellis, vocal music.

"The Patsy" by Barry Connors was selected for the faculty play. The Club was justly proud of the success of this enterprise and of the sum representing half the net proceeds, which it contributed to the Athletic Association.

The Kellogg Foundation extended its work to Van Buren County for the first time in the fall of 1934, and in addition to the health service to the children, the teachers derived many benefits from the work of the organization. A week-end party at the Pine Lake Camp gave the teachers an opportunity to learn something about the work of the Foundation and to see the camp in operation. A series of six lectures on mental hygiene, conducted by Professor J. B. Morgan, of Northwestern University, were sponsored by the Foundation.

Among the memorable events of the Club during the year, were the Kiwanis dinner; the Thanksgiving banquet, to which the members of the Board of Education were guests; and a Valentine party.

## BOARD OF EDUCATION

THE six trustees of the Board of Education, who are J. Edward Burge, President; Frank M. Demme, Vice-President; Carl E. Dilley, Secretary; Stanley Johnston, Curtis L. Beatty, and Dr. Rufus E. Keithly, are all intensely interested in the continuance and necessary development of educational rights of our community with the greatest possible efficiency on a greatly decreased income.

With the careful, thorough planning of Superintendent L. C. Mohr, and the whole-hearted co-operation of the 43 teachers and other employees of the schools, it has been possible to maintain the high standard of the past years and at the same time reduce the cost to our community.

Freshman College classes were started soon after the beginning of the year under Federal financing.

## THE TEACHERS' PLAY

THIS year the Teachers' Club decided to go back to their regular routine of putting on a play. Last year a "Fun Night" was substituted for this annual event. "The Patsy", a comedy in three acts, by Barry Conners, was the title of the play chosen by Miss Meyer for this year's production. This was Miss Meyer's first year at directing a play put on by the Teachers' Club. Dorothea Brouard and Frederick Rogers were the assistant directors. The play proved to be one of the best productions put on by the faculty.

Patsy Harrington, "The Patsy", so called by her friends, a girl who is sacrificed to her older sister, is finally rescued by her father, a traveling man, who turns the table and becomes boss in his home. She triumphs as the bride of the man she loves.

Mr. Harrington is the hail-fellow, well-met type—has a hearty laugh and is usually in high spirits—but can talk back with force and directness when annoyed.

Grace Harrington, Patsy's sister, is a girl of twenty-four, selfish, cold, and petulant, excepting when she has a purpose in being pleasant.

Mrs. Harrington, the mother, is of peevish, overbearing type. She considers herself a martyr and is apparently unaware that her unreasonable and petulant behavior is responsible for most of her troubles.

Tony Anderson, Graces' ex-fiance and whom Pat is in love with, is a handsome man of about twenty-five. He conveys the idea of wealth and taste—but, although very pleasant and agreeable in manner he is rather shy and quiet, almost timid.

Billy Caldwell, whom Grace finally marries, carries the air and manner of refinement and wealth. He is very likeable and agreeable, lively, bright, and smiling.

Sylvia is the ex-fiance of Billy, whom Grace dislikes very much.

O'Flaherty is a middle-aged man who proves to be a real friend to Patsy.

"Trip" Busty is a rather tough-looking taxi driver.

Beginning October 19, senior pictures were taken. Soon following this, two benefits were given from which a small net profit was made for Junior and Senior Classes. Then on February 20, 1935, a very successful Junior-Senior benefit was held. The feature of the benefit was a style show given by the boys in both classes. Added to this was a Floradora act and a one-act play cailed, "Dress Rehearsal."

Hard work and good times made our senior year a successful and an enjoyable

## **CLASS HISTORY**

THE Tribe—"Class of 1935"—has had many memories. Upon entering their new Wigwam of Learning (Senior High) the 140 or so paposes suddenly developed into Braves and Maidens. They were Warriors fighting now with their weapons of hands, brains, and soul. Soon a new Chief for our Tribe was needed. The wise men of the Tribe forming a council nominated two worthy representatives of the Tribe. The Braves and Maidens then gathered together to vote. As a result they elected "Wavy Hair" Reeder as Chief. Also in this year our Spokesman of the Tribe was "Glibe-Tongue" Parnham. The competitors from the surrounding tribes were easily set down in rapid succession by our own Brave. Some of the strongest Braves and Maidens from the Tribe were chosen to serve at the older tribes' banquet.

The following year the wise men again gathered with the same result as the previous year, that is, the election of Chief "Wavy Hair" Reeder. In this year oratorical honors of the Tribe went to Brave "Glibe-Tongue" Parnham. This year our Tribe gave the annual Feast of Spring (to the Senior tribe. The Heap Big Volcano "Fujyama".) Also this year was marked by the fact that we had the fastest Brave in Michigan Class B tribes in Ford "Fleet-footed" Hess.

The last year to be spent in the beloved Wigwam by our Tribe was a big one in the hearts of every Brave and Maiden. This year the annual Tribe Book was to be published. A Staff was to be elected by the Tribe and an able Editor-in-Chief was needed. So the meeting place was crowded with 103 Braves and Maidens to elect Princess Mildred "Laughing Eyes" Fishman. After this election, the election of rulers took place. Big Brave "Little Halfback" Wepfer was elected as our Chief. Decite in a receive Bay that the state. in winning the "Heap Big Five Championship". During these three years we had a Tribe musician of supreme talent in our brave Sam "Nimble Fingers" Kurlandsky. Fire a totarrey A tert Estration of the fire the of the all tribe paper in Princess Gladys "Ever Smiling" Gallagher. Athletic squads were dominated by Braves from the Tribe, namely, Braves "Hit-'em-hard" Haase, "Whip-'em-out" Wenban, and "Fancy-shot" King. Our maidens are not to be trither other on tathings with the By Proper Baptier Cat on Worlds one where, was a relian of the personage of Brave Am Buthou Marris. One of the big performances of the year was the Tribe play. The leads were taken by Brave "Big-Medicine Man" Kelder and Princess "Little Dolly" Bud. The final activities were the Feast of Spring at which we were guests and the graduation exercises in which we were graduated from this Tribe to launch our careers among strange tribes.

## CLASS POEM

Too, like learning shines before me, like Capella in the sky;
Too, like learning and Capella, my spirit shall not die."
Thus spake a time-worn warrior, who on his death-bed lay.
"Led by our Great Spirit, our Montessori far away.
I go to join my brethren, on the land beyond the west:
I shall go within the hour, when my Father thinks it best.

"Oh, Happy, Happy, Hunting Grounds; Oh, Paradise for me! Wisdom, world famous, for compatability
Shall be taught by Medician spirits, there, and I shall learn.
Ah, but I must face it bravely! I must gladly take my turn;
I must leave old friends behind me, but we'll meet again some day.
In the land beyond the sunrise. Ah! 'Twill seem like yesterday!'

Just as this chieftain leaving Earth, will find a better home. So we, my fellow students, though different trail we roam. Though different paths we wander, in seeking new success. Will encounter equal hardships, in the search for happiness; Intellect or manual, whichever be our fate.

We may be laborers or painters, a few of us shall teach, And, too, we seek for knowledge, be it little be it great, A famous poet, here and there, a destiny for each; Sad perhaps, this parting makes us, leaving much behind, How hard to leave our Alma Mater, where work and play combined But ever o'er the stony path, a mighty search we lead Toward our Happy Hunting Grounds, some wealthy, some in need.

Along the narrow, rocky trail a number shall withdraw,
Lacdiceans there shall fall, in Indolence's mow;
But ever fights the earnest, the brave courageous soul,
Who strives on to the finish, toward success's goal;
Though handicapped and harrassed, this student ever wins.
For him, when high-school days are done, his schooling just begins.

Yea, Time, The Grand Old Harvester, develops every man, Brings out his faults and assets, his burdens o'er Life's Span. So let us seek for learning, as did the aged chief, That we may not all perish on Ignorance's reef; And we may look back kindly, and think of our old school, Which built the base of our success, with pencil, pen and rule.

## PURPLE AND GOLD STAFF

A I the beginning of the year an Annual Staff was considered quite a risk because of the lack of finances. Yet, the Senior class was unanimously in favor of electing a staff first and a first afterwards. With the aid of several benefits and the Senior play to help swell the treasury, the Purple and Gold of 1935 was made possible. It is it is through hard and efficient labor and through the accurate and willing response of those called upon to gather material made the possibility a fact. Saturdays found the Staff working hard in typing up the dummy on the Annual

## STUDENT COUNCIL

THE organization of the Student Council for the year 1934-35 consisted of representatives from each sponsor group. Officers were elected to conduct the business of the organization

The chief activities of this body were the sponsoring of school dances once every two weeks. It was the duty of the members to have sufficient teachers and parents present to act as chaperones. The services of the musicians were also solicited by them

The Student Council took charge of the transportation and expenses of the exchange programs. The entertainment for them was supplied by the Public Speaking and Music Classes, who were directed by Miss Meyer and Miss Elis.

Two members, Neil Barner and Harley Teal, transferred to other schools. Their piaces were filted by Theola Grant and Alice Foster. A re-election of officers was made necessary by this change.

## MIXED CHORUS

THE miles Charus rimpises of The Senior High Give Cub. under the distant of Miss Katherine Ellis, made their initial appearance in December, when they presented a varied program of musical numbers.

On March 8, a special success was made with the production of "H. M. S. Pinafore"—that rollicking nautical operatta of Gilbert and Sullivan. To climax the year's work, the annual spring concert was presented on May 9.

# **OPERETTA**

MISS ELLIS' first operatic production, "H. M. S. Pinafore," proved to be a great success. Being really a light opera, made it one of the hardest operatfas put on by the Mixed Chorus. The dramatics were supervised by Miss Meyer and the dancing and costuming by Miss Patnales.

Marjorie Maulsby and the Pit Orchestra furnished the musical accompaniment.

The setting is on board ship "Pinafore." Many difficulties arise for Captain Corcoran, master of H. M. S. Pinafore, when he attempts to choose a husband for his daughter Jordane The majorant training to the Admiral training to the appointed suitor, Sir Joseph Porter K. C. B., First Lord of the Admiralty. Contemplated suicide and elopement are thwarted by Mrs. Cripps who brings, besides her wares for sailors, the knowledge of a secret which results in the elevation of Ralph's position and his romance with Josephine.

## THE SENIOR PLAY

AFTER a careful survey of various plays, "Three Cornered Moon", by Gertrude Tonkonogy, was selected for this year's senior play, by Miss Meyer. This was another of Miss Meyer's successes.

From almost any point of view the Rimplegars are moonstruck. Even if you study them you will never hear two words out of them that make sense. In the first act they are considerably well off in the world, and being spared the necessity of words, they take the ruman, nonventing an interdimental of such action may be a subject to the ruman, nonventing an interdimental of such action may be a subject to the ruman, nonventing and themselve pennine. More Rimplegar having sold out the family fortune to a margin broker, puts on her wrapper, does up her hair in a Turkish towel and meanders dizzily around the house. That is why the rimplegar is always the same. From one day to an ther he never tamper with the subject of the subjects in constant laughter.

The scene takes place in the entrance hall and the dining room of the Rimplegar home in Brooklyn in the Spring.

Elizabeth is a girl of about twenty-three, undignified, and bored to death with life.

Mrs. Rimplegar is a dazed, rattle-brained woman whose gestures are uncertain and reactions belated.

Dr. Stevens is about thirty-two and is the only one on the stage who bears a certain maturity of face and bearing.

Douglas is a nice looking boy of twenty-two. For some reason that is never very and to an unit of the stage. In his ordinary conversation he is not, happily, theatrical, but every once in a while he pulls what he calls a gag.

Kenneth is twenty-five and has more dignity than any of the other Rimplegars. His speech is affected, his accent being either Harvardian or English, whichever is most unpleasant to you.

Ed is a happy-go-lucky College boy of eighteen.

Donald is an awkward person but charming. He has a sensitive immature face and a humorous mouth.

Kitty is a Brooklyn beauty whose decided ampleness has not deterred her from wearing a tight dress.

Jenny, the maid, is a red-cheeked, husky Czechoslovakian girl who can not speak English very well.

The club was organized to aid the girls not only in knowing the fundamental facts of home-making but to help them to know how to live better and happier in this school and community. The club, under the direction of Miss Patnales, has enjoyed many parties such as hikes and taffy-pulls. Informal discussions have formed a greater part of the business meetings. # TRACK - 1934

SOUTH HAVEN tracksters opened the season with the annual interclass track meet which the seniors easily won. This meet provided Coach Jillson a means of discovering promising material which he could use to advantage, as last year many lettermen were lost through graduation.

Paw Paw was the first victim of the local squad and South Haven soundly trounced them to the tune of 61¾ to 42¼. The feature of the meet was the running of Alan Smith of Paw Paw against our own Smith in the dashes. With a machine like form and great speed, this boy won both dashes but not until Don Smith had given him a good race. Walter Pahl, in his first year of running, took first place in the 440.

N'les was the next victim, but here Jillson's squad found stiff competition especially in the distance runs. This was the most thrilling meet of the year, as the score was 49 to 50 in favor of Niles, but South Haven's hopes rested on the relay team. However Coach Jillson was not disappointed, as the relay team won in a not duel. Up to the time Don Smith took the baton, the teams were even, but when the blond flash grasped the baton the Niles spectators sank in their seats and South Haven fans knew the results. The final scoring was South Haven 54 and Niles 50.

This year South Haven entertained the Big Five Conference. Dowagiac, the favored, won; but not with the ease anticipated. South Haven was second with 291/4 points.

May 19th, Jillson's lads journeyed to Kalamazoo to compete in the Regional meet, with the absence of Don Smith and Herbert Streeter in the dashes and Charles Hewson in the low hurdles. Finishing in a strong third, South Haven qualified the filewing men fir the State ment Douglas carsen in tiest Marsha Chrey and Charles Crawford, broad jump; Harold Lundy in the half mile; and Ford Hess in the mile.

Marshall Corey, Charles Crawford, Ford Hess, Douglas Larsen, and Harold Lundy competed in the State meet at East Lansing, May 26. Lundy, running the half mile was beat out of first place by inches in a thrilling race. Marshall Corey and Charles Crawford place is constant that retter tions in the triad jump with leaps of over 19'-6". Ford Hess, running the mile, took first for the remaining points. The team scored sixteen points in all.

As Coach Jillson expresses it "From the standpoint of development this year's team is the best I have ever coached. At the start of the season prospects were none too pright but in up to of 5 me hard luck and in the state meet the second highest total in the Purple and Gold's History.

## BASEBALL - 1934

W Coach Baer proceeded to build another team to carry on, building it around the nucleus, Captain Harold Lundy and three returning lettermen.

The opening game with Gobles saw the team defeated by the score of 10-5. The game showed up many weaknesses but it also had its strong points as the hitting was well done. Decatur turned the tables and South Haven took one of its worst defeats in three years, the score 16-9. Covert fell at the hands of the Purple and Gold by a large score of 29-10. On the home diamond the Purple and Gold swatters beat the strong Lawton team 8-5. Bangor was defeated 12-2. Things began to look bright and continued by beating Hartford 7-4 in a very exciting game. South Haven wound up the season in a tight game with Bloomingdale losing 2-3. However, Bloomingdale went on to win the County Championship from Decatur which were the only two teams to beat the locals.

We can consider the team a very successful one from all angles as they made a very good record. With a number of lettermen returning we can look forward to a good season of America's most popular game at South Haven.

Conference Chiampions is the unit ruled the head of the South Haven gridders of 1935. The material looked none too bright at the start of the season as very few of the boys had any varsity experience.

The opening game found South Haven on the better end of a 6-0 score against traiting. A though the season at test the beys came through in the final period to win. The running attack of Lundy and Wepfer was the feature of this game.

The next game was played at Niles where South Haven, the dark horse, pulled a fast one and secured a safety in the middle of the second quarter and was able to hold N tes scoretess the rest of the game. Niles won't forget that game for a long time.

Buchanan, a class C school, which always affords plenty of competition to adclass B schools was at a 155 to stop the Culty on backted and hard charging line. The score was 12-0 in favor of South Haven.

South Haven was invited as the school to oppose Paw Paw in their annual home-coming. Paw Paw, unaccustomed to being beaten at their own homecomings was surprised when the Link + med on the pressure of sprendig offensive work of the line and the consistent plunging of Haase. Some rough spots were found in the play but the team showed a fine spirit and good team work. The score was, South Haven 12, Paw Paw 0.

This year big five conference teams were beginning to worry about Three Rivers as the team to watch. The local boys knew they had a hard game and went in with that idea, not to give up and Three Rivers was beaten 6-0.

Coloma suffered defeat when Haase plunged for successive first downs, finally resulting in two touchdowns. The score was Coloma 13 and South Haven 14. St Joe came here November 3 and after a hard fight showed that the best team won. Although St. Joe can not be considered on top of the heap they come close. ## SECOND TEAM FOOTBALL

Taking the bumps and giving all the competition a second team is capable of while getting little honor, this year's second team deserves space for their work. They played the following schools with these results:

Prospects for next year are exceptionally good with eleven lettermen returning. Coach Baer says of the team:

"The 1934 football team surprised everyone including themselves by winning the Big Five champion to. At the start of the star picture wendered what yand the team would win. This team demonstrated that, a will to win combined with hard work, will produce results."

# BASKETBALL - 1934-35

AT the beginning of the season we hoped to duplicate our football record and win practically every game in which we participated, but the inevitable jinx decreed otherwise. However, we feel that the team has established a worthy record. Losing only two regulars by graduation, we can look forward to a more successful season in 1935-36.

December 7, South Haven defeated Decatur to start the season. Many rough spots showed up but were polished off as the season progressed. Paw Paw handed the Purple and Gold their first defeat of the season. Paw Paw has always offered stiff competition in any sport but especially in basketball. December 28, the annual Alumni game offered plenty of thrills for South Haven. The High School was not able to make up for the extra height and experience of the older members. However a good game was witnessed by all. December 21, the Purple and Gold lost a crose game to Dowagiac for their first Conference defeat. The rest of the season's games were played with Three Rivers, Niles, and St. Joe. South Haven lost to St. Joe, the Conference champs, after a hard fight. However, Niles was too strong for the locals and went home on the large end of the 1926 score. Paw Paw's "Redskins", victors over the Purple and Gold earlier in the season, were scalped by a new improved South Haven quintet. Dowagiac, taking advantage of an early lead, succeeded in staving off a Purple and Gold rally and won their second straight from South Haven. Earlier in the season, South Haven cagers succeeded in beating Three Rivers but in the second tilt, they were not successful and bowed to a stinging 31-13 defeat. St. Joe once more held the locals spellbound with their smooth offense and tight defense and hung up a 30-14 victory, their second over the locals this Season,

THE Tennis team scored victories over the following cities: St. Joe, Dowagiac, Kalamazoo State High, and Benton Harbor.

St. Joe suffered two defeats at the hands of the locals, Kalamazoo State High won one and lost one, Dowagiac tied one and lost one, Benton Harbor lost one.

Those earning letters were Jack Clark, Clement Schulman, Sam Musser, and Arthur Clarke.

Jack Clark deserves special mention because of his play in the regional tournaments at Benton Harbor where he went into the finals and lost to last year's regional winner, 6-0, 5-7, 6-3.

No matter how much pep a student body has, it cannot be shown without leadership. This year South Haven boasts two outstanding cheer leaders in Theola Grant and Clarence Foster. Both deserve a lot of credit for the success of our athletic teams. Luckily we will have them back again next year.

,					SHIRLEY MC CARTY

THIS year the Varsity Club was organized as a unit to promote good sportsmanship in all athletic contests. The Club also took sole command of the ticket selling for the Faculty Play.

At varsity letter winners are eligible to this Club. Those graduating become inactive members. For two years after graduation members are allowed free admission to all athletic contests held in South Haven.

The Club expresses its appreciation to Mr. Milton Gruber for his splendia work in keeping up the athletic equipment and locker rooms for the athletic teams and sent flowers at the time of his father's death.

# BOYS' GYM EXHIBITION

This year Mr. Baer offered something new in the exhibition line. The Senior High group was divided into three groups. One group worked on the apparatus another boxed, and still another devoted their time to calisthenics. The program included the following:

# SENIOR BASKETBALL TEAM

THIS year did not find as many Senior girls out for Basketball as usual. There were just 15 girls out for the practices. Because of this small number, all of the girls made the team. The temporary Captain, Bernice Couturier, with Miss Powers selected members for the regular team. The team chose Mary Gibson for their captain.

Tournament games were played between classes. The big game of the season was played at the Girls' Gym Exhibition between the Senior and Junior teams. This game proved to be a real thriller, both teams being of equal strength. The Seniors won, the final score being 15-14.

# THE INDUSTRIAL ARTS CLUB

THE Industrial Arts Club was organized for those boys who were interested in some of the different crafts, such as woodworking, metalcraft, electricity, and leathercraft. It was a place where the boys could come and do those things which they enjoyed doing as there was no required work.

The number of the whole the rub this year was a great that it was at the usual club period and the other group met in the afternoon from 3:30 to 4:15 piclock.

# THE BOYS' ATHLETIC CLUB

The Boys' Athletic Club, under the direction of Mr. Jillson was organized to study the four major high school sports. It also considered training, sportsmanship and the spirit of competition.

In the fall the club took up football. After discussing the rules and different types of play. Mr. Baer took over the club hour for several periods and spoke to the rules of play. In the spring the key of the rules of play. In the spring the key of the rules of play. In the spring and practiced. The track team gave demonstrations in this sport. The Lord hates a quitter
But he doesn't hate him, son,
When the quitter's quitting something that
He shouldn't have begun.

Sing a song o' six pence (a nickel would do):

Four and twenty blackbirds (or starlings, just as true)—

These here latter critters might compose a nifty pie,

But now-a-days there's nothin' much the coin we've named will buy!

"Mr. B. Fatte says that beef fat makes a person be fat." "Well, that's nothing to beef at."

"The ending 'let'," says E. Gilman, "must mean little. For little leaf, we say leaflet; for little cloud, we say cloudlet. I wonder what Shake-speare was thinking of when he named his chief character Hamlet,"

One of the modern novelists, referring to his hero said:

> "His countenance fell His voice broke His heart sank His hair rose His eyes blazed His words burned His blood froze."

And yet he pulled himself together and won his heroine.

It's a wonderful thing for the woman,
The popular permanent wave.
And now it's up to some struggling
inventor
To get out a permanent shave.

April is the laziest month because everyone is tired after a March of 31 days.

Some things may change, but we still maintain that writing paper is stationery.
